obtained from present formulations and from the information received from our suppliers **are conform to the normative EN 71/ 3 2013** (Toys Directive).

The product LGA233, obtained from present formulations and from the information received from our suppliers, is conform to the normative EN 71/ 3 2002 (Toys Directive).

These controls, not requested by the law, are effected from our suppliers in statistic way or by analyzes; however, the standard specifies requirements and test methods for the migration of the elements from the materials that make up toys or parts of toys, therefore we advise you to carry out an analysis on the manufactured products from specialized laboratories

We stay however to your complete disposition for any other information you need and with the occasion we send you our best regards.
